

I am Isaac Boadu from Ghana. I hold Bachelor of Science (Bsc.) degree in **BIOCHEMISTRY** and Master of Philosophy (Mphil.) degree in **NUTRITION** from Kwame Nkrumah University of Science and Technology (KNUST) and University of Ghana (UG) respectively. I am currently at the Department of Zoology and Environmental Biology here in University of Nigeria (UNN) pursuing a two-year postgraduate programme in Msc. Parasitology and Public Health. My research interest include maternal and child nutrition and strategic ways of managing emerging chronic diseases. I have three published papers to my credit. I am single, love to surf the internet and listen to music. I am looking forward to having a great academic experience here at UNN.
